LEGAL COUNSEL DIVISION (LCD), 10/24/86, [REDACTED]

The Criminal Investigative Division (CID) proposes disclosure to the [REDACTED] of information concerning [REDACTED]. The Privacy Act of 1974, 1/ as applied to this matter, directs that, in the absence of [REDACTED] consent, data concerning him be disclosed by the Federal Bureau of Investigation (FBI) only if one or more alternate conditions are satisfied. 2/ [REDACTED] has not authorized FBI disclosures concerning himself. b7c

One of the Privacy Act's alternate conditions permits the FBI to make "routine use" disseminations; i.e., releases which are compatible with the purposes for which information was first collected. 3/ Pursuant to statutory direction, 4/ the FBI publishes notices identifying, among other things, routine uses for information in FBI records systems. The most recent Central Records System notice 5/ includes a provision specifically referenced in the memorandum to which this addendum pertains:

Disclosure to a state...government agency...not directly engaged in the criminal justice process...is considered on an individual basis only under exceptional circumstances, as determined by the FBI. 6/

Legal Counsel considers the preceeding routine use inapplicable to the matter at hand, by virtue of rules which are observed in applying that language to particular situations. 7/ Fortunately, a second Central Records System

7/ The criteria observed in making exceptional circumstances determinations are set forth in a Legal Counsel addendum to a memorandum from Mr. MONROE to Mr. MINTZ, captioned "EXCEPTIONAL CIRCUMSTANCES" CONTROLLING DISSEMINATION OF FBI RECORDS TO STATE/LOCAL GOVERNMENT AGENCIES FOR REGULATORY/LICENSING PURPOSES, dated 5/2/83. b7c Legal Counsel's determination of the applicability of that routine use to CID's proposal is based on several factors: (a) the National Alliance, to which [REDACTED] belongs, is a group which anticipates, and which aims at fomenting, racial revolution in the United States; (b) [REDACTED] as a condition precedent to membership in the

b7c Investigation by Pittsburgh Division has further established that on several instances during the month of October 1986 [REDACTED] and [REDACTED] made several unsuccessful efforts to purchase a storefront building in Hillsboro, WV, for purposes of establishing a bookstore from which to establish public contact and raise funds through the sale of published materials available through the "Vanguard Press," an affiliate of the NATIONAL ALLIANCE.

b7c In these instances, purchase prices of up to \$19,000 cash were offered prospective sellers. The sales were not concluded due to [REDACTED] recent media publicity.

b7d On November 8, 1986, a search was conducted by  
representatives of the FBI and [REDACTED]  
[REDACTED] at the Pocahontas County, WV, landfill/garbage dump.

This search resulted in the recovery of extensive financial records, personal correspondence, computerized NATIONAL ALLIANCE mailing lists and other significant intelligence information.

A review of these materials has determined an established mailing list of NATIONAL ALLIANCE associates, not only throughout each region of the United States but also in South Africa, West Germany, England, Canada, Mexico, Norway, France, Switzerland, Spain, South America, Sweden, Italy, Australia, Belgium, Portugal and the Middle East.

At present, and as a result of recent news media attention focused on PIERCE and the NATIONAL ALLIANCE/COSMOTHEIST COMMUNITY compound, Pocahontas County, WV, there are current efforts being made to initiate legislation in the West Virginia House of Representatives and State Senate to outlaw para military training and/or groups within the State of West Virginia.

Gentlemen:

I call your attention to a very strong case, of suspected "Terrorist" activities here in West Virginia. This is taking place at Smithville, West Virginia, on the property of [redacted] who owns all this property, where this taking place. Smithville is located in Hitchie County, some 12 miles from Harrisville, West Virginia, on route 16. Actually, this land is farmland, owned by [redacted] and is located some [redacted]

\* In past times, on the above lands, there has been machine gun practice, mortars, hand grenades, and such, by many people, from many other states. In fact, there was a documentary on a Huntington, West Virginia TV, WOVK channel 13, showing just this, in detail. I have been informed, they shot these pictures with a high-powered close up lense, and I personally saw this on this same TV station. This was some 4 or 5 months ago, and it shown as I recall, in the AM one day.

He is a strong admirer of Adolph Hitler, admires Kadhafi, Libya, and thinks Marcos of the Phillipines is also a great man. He says the foregoing people are good for us, and should rule our world. Many say [redacted] is a dangerous man, one to be feared.

NOTE: THE PITTSBURGH DIVISION SUBMITTED AN AIRTEL AND A LHM REQUESTING FBIHQ AUTHORIZATION TO CONDUCT A FULL DS/T INVESTIGATION OF A GROUP KNOWN AS THE NATIONAL ALLIANCE. PITTSBURGH INITIALLY HAD A FULL DS/T INVESTIGATION OF THIS GROUP, BUT DID NOT PROVIDE SUFFICIENT EXPLANATION OF THE TERRORIST ACTIVITIES OF THIS GROUP OR ANY ADVOCACY OR COMMISSION OF CRIMINAL ACTS IN FURTHERANCE OF THEIR SOCIAL OR POLITICAL GOALS WHEN REQUESTING A RENEWAL IN JULY, 1987. THIS TELETYPE APPRISES THE PITTSBURGH DIVISION THAT THEIR LHM DOES NOT FURNISH SUFFICIENT INFORMATION TO AUTHORIZE A FULL DS/T INVESTIGATION. THIS TELETYPE ALSO DISCUSSES SOME POINTS THAT PITTSBURGH MUST ADDRESS TO JUSTIFY A FULL DS/T INVESTIGATION OF THE NATIONAL ALLIANCE. FINALLY, THIS TELETYPE INFORMS PITTSBURGH THAT IF ADDITIONAL INVESTIGATION OF THE CAPTIONED GROUP IS NECESSARY, A PI CAN BE INITIATED FOR 90 DAYS ON THE AUTHORIZATION OF THE PITTSBURGH SUPERVISOR.

Above referenced Bureau teletype denied authorization for a 180 day extention in captioned domestic security/terrorism investigation, citing that LHM did not contain any allegations of criminal activity in the furtherance of social or political goals, which is a primary criteria in justifying a DS/T investigation or authorizing the continuation of an ongoing investigation.

Pittsburgh Division is currently holding in abeyance investigation of the captioned subject pending Bureau approval for reinstitution of full domestic security/terrorism investigation. Analysis of results of pen register and additional investigative leads developed through review of materials obtained through search conducted November 8, 1986, at Pocahontas County, WV, landfill/garbage dump will be handled upon Bureau approval regarding Pittsburgh Division request set forth herein.

ENCLOSURE

NATIONAL ALLIANCE, aka

b7c [REDACTED] Additional investigation determined that during October, 1984, PIERCE had purchased 346 acres for \$95,000 cash in Pocahontas County, West Virginia (WV). Subsequently, PIERCE relocated the headquarters of the National Alliance from Arlington, Virginia (VA), to Pocahontas County, WV.

The National Alliance was formed from the reorganization of the National Youth Alliance (NYA) in approximately February, 1974. The N/A was described as a superstructure for an anticipated array of specialized coordinate groups. The NYA continued as the youth group for persons under thirty years of age, and the N/A for persons over thirty years of age. The NYA is a coalition of conservative youth groups whose purpose was to control certain campus oriented groups which were causing chaotic conditions in the United States college campuses. The NYA promotes white racism and antizionism, suggesting violent revolution as the ultimate means for implementing their ideals in the United States. The NYA is opposed to the use of dangerous drugs, anarchism, marxism, other radical groups, foreign wars and black organizations. The organization publication was known as Attack.

b7d [REDACTED] There were approximately twelve cities considered to be activist, which included Alexandria, VA; Springfield, Massachusetts (MA); and Wilmington, North Carolina (NC).

In 1972, the NYA published a series of articles entitled "Revolutionary Notes", instructing readers in the construction and deployment of simple explosives, incendiary devices and the techniques of urban guerilla warfare. Articles in Attack advocated political assassination and destruction of the system by total revolution. The organization advocated violence if other means failed to control radical campus groups.

b7c On November 24, 1984, a search was conducted on the vehicle and rooms abandoned by ROBERT J. MATTHEWS (deceased) and [REDACTED] who were then Bureau fugitives. During the weekend of September 6-7, 1986, a dedication was held at the Cosmotheist Community compound wherein the headquarters building was officially completed and opened. PIERCE had established a print shop, computer center and other offices at that compound for engaging in fundraising and establishing a computer network for the right-wing extremist groups.

b7x [REDACTED] have made several unsuccessful efforts to purchase a storefront building in Hillsboro, WV, for purposes of establishing a bookstore from which to establish public contact and raise funds for the sale of published materials available through the Vanguard Press, an affiliate of National Alliance.

Extensive financial records, personal correspondence, computerized National Alliance mailing lists and other significant intelligence information were recovered from a landfill in Pocahontas County, WV. A review of these materials has determined an established mailing list of National Alliance associates not only throughout each region of the United States but also in South Africa, West Germany, England, Canada, Mexico, Norway, France, Switzerland, Spain, South America, Sweden, Italy, Australia, Belgium, Portugal and the Middle East.

A review of a National Alliance Bulletin dated November-December, 1986, contained an article concerning recruiting guidelines for the National Alliance. Contained in this section of the bulletin in part was the following quote:

"There is a greater need for recruiting members inside the system; persuading men and women who now occupy positions in the government, the armed forces, educational establishments and a wide range of industries to remain where they are and begin using their positions to serve the alliance. This need is the consequence of both a deceased reservoir of potential cadres and the lengthened revolutionary time scale with which we must contend. When we cannot have as much internal strength as we would like, then we are more dependent on allies inside the enemies camp ..."

NATIONAL ALLIANCE, AKA COSMOTHEIST COMMUNITY,  
MILL POINT, POCAHONTAS COUNTY,  
WEST VIRGINIA; DOMESTIC SECURITY/TERRORISM;  
OO: PITTSBURGH

The Turner Diaries describes the overthrow of the United States Government by a group of violent right-wing extremists. The Turner Diaries was authored by DR. WILLIAM LUTHER PIERCE, using the pen name ANDREW MACDONALD.

b7c [REDACTED] The NATIONAL ALLIANCE promotes white racism and anti-Semitic views and advocates violent revolution as the ultimate means to implement these ideas. ROBERT MATHEWS, the leader of the "Order," was a member of the NATIONAL ALLIANCE.

b7d [REDACTED]  
In late 1984, [REDACTED] relocated the NATIONAL ALLIANCE from Arlington, Virginia, to a 360-acre tract of land he purchased in Pocahontas County, West Virginia.

b7d [REDACTED]  
The property purchased [REDACTED] is located in a remote area of West Virginia. Ground surveillance of [REDACTED] the compound is exceedingly difficult. Anyone from outside the area can be readily identified as a stranger by the local residents. Furthermore, the mere presence of strangers is information which is disseminated quickly throughout the area.

[REDACTED] is one of eight primary subjects in a major investigation of the right-wing being conducted by the Little Rock Division. Little Rock anticipates having indictments in this investigation returned in early 1987. Little Rock believes that of the eight right-wing leaders being investigated in this matter, their case on [REDACTED] is the weakest. The Pittsburgh Division believes that whether [REDACTED] is indicted in the Little Rock investigation or not, they will have a continuing investigative interest in the activities at the NATIONAL ALLIANCE compound. If [REDACTED] is indicted and subsequently convicted, Pittsburgh anticipates that a successor will continue [REDACTED] activities at the compound. If [REDACTED] is not indicted, he will return to the compound and proceed with his right-wing revolution activities.

Investigation within the Portland Division developed  
no information to indicate that [REDACTED] or any of his

is noted, however, that Clackamas County is highly populated  
with citizens belonging to organizations such as the American  
Freeman, Posse Comitatus, Christian Patriots, and similar  
right wing organizations.

b7d Records of the [REDACTED] record no Oregon driver's license or vehicles under the name of [REDACTED]

A spot check of the residence in question on two different occasions failed to disclose any licensed vehicles present.

It should be noted that one of the basic contentions of the American Freeman Association is that persons are "free and natural individuals," and do not have to be licensed either to drive or to have a vehicle. This possibility is offered only as a suggestion for the lack of vehicles and licenses because there is no information on record in any of the agencies contacted to indicate that the Fulmers do subscribe to the Freeman philosophy.

b7c Sources familiar with the 'right wing movement in the Portland metropolitan area are unfamiliar with the [REDACTED]. Since they are not known to be active in the Portland area and are not known to pose any threat at this time, this matter is being forwarded RUC, however, should the Pittsburgh Office develop information of significance to indicate involvement in the domestic security field, Portland will initiate appropriate investigation.
